

Hello Team Parents and Athletes-

Northstar Ski and Snowboard Teams uses DRIVN as a communication platform . This is a tool that is used to consolidate all communications to one location. On the DRIVN app. you can find training schedules, competition schedules, events, camps, dryland training and information from the Northstar Team Foundation. You will also find handbooks and other useful information pertaining to the program that your child is participating in.

There are two ways to access the platform.

Go to the App. store on your phone and download the Northstar DRIVN app.

1. Go through the prompted steps
2. Use the codes below to access specific team information. **If you are registered on the app. from last season, please log in and check out some of the new features.

** If your child has changed programs for the upcoming season, please log on.

- In the upper right hand corner, click the icon that has three horizontal lines
- Click Join Team
- Enter the code from the list below
- You will be prompted to “switch teams”
- This will delete your access to last year’s program, and give you access to this year’s program.

Once you have registered on your phone, you can access on a desktop by visiting www.web.weave.io

Below are the codes to access the platform

Team	Parent Code	
U19	NFWED3	
U16	EBPVYV	
U14	GWQL4Y	
U12	3QVLA8	
U10	NRXJXF	
Mtn. Exploration	NHQPHM
