

Northstar Ski and Snowboard Teams uses DRVN as a communication platform for the program. This is a tool that is used to consolidate all communications to one location. On the DRVN app, you can find training schedules, competition schedules, events and camps. You will also find handbooks and other useful information pertaining to the program that your child is participating in.

There are two ways to access the platform.

Go to the App. store on your phone and download the Northstar DRVN app.

1. Go through the prompted steps
2. Use the codes below to access specific team information. If your athlete has a cell phone, they will enter the athlete code parents will enter the parent code.

Once you have registered on your phone, you can access on a desktop by visiting www.web.weave.io

Below are the codes to access the platform

Team	Parent Code	Athlete Code
U19	NFWED3	WTAGP9
